

MALPAS LTC USE OF CHANGING FACILITIES POLICY

POLICY ON THE USE OF CHANGING ROOMS

Malpas LTC strives to ensure that all children (anyone under 18) are safeguarded from abuse and have an enjoyable tennis experience.

This policy applies to all staff, coaches, volunteers, players, parents/carers and any other individuals associated with Malpas LTC.

Malpas LTC does not have its own changing rooms. The Tennis Pavilion is intended to be used for shelter, storage and seating, and not as a changing room. Players should come to the venue already changed, wearing suitably warm clothing e.g. tracksuits, and go home afterwards to change and shower.

Malpas LTC is the tennis section of Malpas & District Sports Club Ltd, which has a clubhouse containing changing rooms, however, these are solely used by the football and cricket sections of the club and require key access. If, in the unlikely event that the tennis section needs changing facilities, the policy below will be followed.

This document sets out the Malpas LTC policy for the acceptable use of the Malpas & District Sports Club Ltd changing rooms.

1. Groups of children will have sole use of changing rooms. This reduces any risks and potential vulnerability associated with mixing adults and children when changing and showering.
2. If adults and children need to share our changing rooms, they will do so at different times.
3. Where it is unavoidable that changing rooms are used by both adults and children at the same time, there will be access to separate changing, showering and toilet areas.
4. Under no circumstances will adult staff, coaches or volunteers change or shower at the same time as children using the changing rooms.
5. Mixed gender groups of children will have access to separate changing rooms, or use the same changing room but at different times.
6. If we are made aware that a child or adult self-identifies as a gender that differs from the gender they were assigned at birth, we will work with them and their parents/carers (where it relates to a child) to make reasonable adjustments to changing arrangements to suit their needs (*n.b.* for more information on this please go to <https://thecpsu.org.uk/help-advice/topics/lgbt-young-people-and-sport/>)
7. Mobile phones and other electronic devices must not be used in changing rooms.
8. For younger groups of children, a DBS checked member of staff or volunteer will wait outside the changing rooms to allow children to call for assistance if required.
9. Where no changing facilities are available children, parents and travelling teams/players will be made aware prior to the game and advised to make alternative arrangements and to take appropriate additional clothing e.g. tracksuits etc.
